Ticket ID	Ticket Type	Reference ID	Status	Title	Organization	Description	Open Time	Last Update Time
42524	Incident	I-042696	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:04:19	2025-04-21 11:04:19
42523	Incident	I-042695	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:04:18	2025-04-21 11:06:52
42522	Incident	I-042694	ongoing	Unexpected PostgreSQL Restart	Era Lab	An unexpected restart of the PostgreSQL service has occurred, which may cause temporary data unavailability.	2025-04-21 11:04:16	2025-04-21 11:04:16
42521	Incident	I-042693	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:04:15	2025-04-21 11:04:15
42520	Incident	I-042692	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:04:13	2025-04-21 11:05:23
42519	Incident	I-042691	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:04:11	2025-04-21 11:04:11
42518	Incident	I-042690	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:04:09	2025-04-21 11:04:09
42517	Incident	I-042689	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:04:07	2025-04-21 11:04:07
42516	Incident	I-042688	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:04:06	2025-04-21 11:05:53
42515	Incident	I-042687	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:04:04	2025-04-21 11:05:23
42514	Incident	I-042686	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:04:02	2025-04-21 11:07:17
42513	Incident	I-042685	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:04:00	2025-04-21 11:04:00
42512	Incident	I-042684	ongoing	PostgreSQL Service Outage	Era Lab	There is an ongoing PostgreSQL service outage, affecting access to the database and related services.	2025-04-21 11:03:58	2025-04-21 11:05:23
42511	Incident	I-042683	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:03:57	2025-04-21 11:03:57
42510	Incident	I-042682	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:03:55	2025-04-21 11:03:55
42509	Incident	I-042681	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:03:53	2025-04-21 11:06:21
42508	Incident	I-042680	ongoing	Unexpected PostgreSQL Restart	Era Lab	An unexpected restart of the PostgreSQL service has occurred, which may cause temporary data unavailability.	2025-04-21 11:03:52	2025-04-21 11:05:22
42507	Incident	I-042679	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:03:50	2025-04-21 11:03:50
42506	Incident	I-042678	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:03:48	2025-04-21 11:04:54
42505	Incident	I-042677	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:03:47	2025-04-21 11:03:47
42504	Incident	I-042676	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:03:45	2025-04-21 11:04:53
42503	Incident	I-042675	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:03:43	2025-04-21 11:07:17
42502	Incident	I-042674	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:03:41	2025-04-21 11:03:41
42501	Incident	I-042673	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:03:39	2025-04-21 11:06:21
42500	Incident	I-042672	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:03:38	2025-04-21 11:03:38
42499	Incident	I-042671	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:03:36	2025-04-21 11:07:17
42498	Incident	I-042670	ongoing	Unexpected PostgreSQL Restart	Era Lab	An unexpected restart of the PostgreSQL service has occurred, which may cause temporary data unavailability.	2025-04-21 11:03:34	2025-04-21 11:03:34
42497	Incident	I-042669	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:03:33	2025-04-21 11:03:33
42496	Incident	I-042668	ongoing	PostgreSQL Service Outage	Era Lab	There is an ongoing PostgreSQL service outage, affecting access to the database and related services.	2025-04-21 11:03:31	2025-04-21 11:03:31
42495	Incident	I-042667	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:03:29	2025-04-21 11:03:29
42494	Incident	I-042666	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:03:27	2025-04-22 23:03:31
42493	Incident	I-042665	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:03:26	2025-04-22 23:03:31
42492	Incident	I-042664	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:03:24	2025-04-22 23:03:31
42491	Incident	I-042663	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:03:22	2025-04-22 23:03:31
42490	Incident	I-042662	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:03:21	2025-04-22 23:03:22
42489	Incident	I-042661	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:03:19	2025-04-22 23:03:22
42488	Incident	I-042660	ongoing	PostgreSQL Service Outage	Era Lab	There is an ongoing PostgreSQL service outage, affecting access to the database and related services.	2025-04-21 11:03:17	2025-04-22 23:03:22
42487	Incident	I-042659	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:03:16	2025-04-22 23:03:22
42486	Incident	I-042658	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:03:14	2025-04-22 23:03:22
42485	Incident	I-042657	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:03:12	2025-04-22 23:03:22
42484	Incident	I-042656	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:03:10	2025-04-22 23:03:12
42483	Incident	I-042655	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:03:09	2025-04-22 23:03:12
42482	Incident	I-042654	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:03:07	2025-04-22 23:03:12
42481	Incident	I-042653	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:03:05	2025-04-22 23:03:12
42480	Incident	I-042652	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:03:03	2025-04-22 23:03:12
42479	Incident	I-042651	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:03:01	2025-04-22 23:03:02
42478	Incident	I-042650	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:02:59	2025-04-22 23:03:02
42477	Incident	I-042649	ongoing	Unexpected PostgreSQL Restart	Era Lab	An unexpected restart of the PostgreSQL service has occurred, which may cause temporary data unavailability.	2025-04-21 11:02:57	2025-04-22 23:03:03
42476	Incident	I-042648	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:02:56	2025-04-22 23:03:03
42475	Incident	I-042647	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:54	2025-04-22 23:03:03
42474	Incident	I-042646	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:02:53	2025-04-22 23:03:03
42473	UserRequest	R-042645	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:51	2025-04-21 11:02:51
42472	Incident	I-042644	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:02:51	2025-04-22 23:03:03
42471	UserRequest	R-042643	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:02:50	2025-04-21 11:02:50
42470	Incident	I-042642	ongoing	PostgreSQL Service Outage	Era Lab	There is an ongoing PostgreSQL service outage, affecting access to the database and related services.	2025-04-21 11:02:49	2025-04-22 23:03:03
42469	UserRequest	R-042641	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:48	2025-04-21 11:03:35
42468	UserRequest	R-042640	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:47	2025-04-21 11:04:35
42467	Incident	I-042639	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:02:47	2025-04-22 23:03:03
42466	UserRequest	R-042638	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:02:46	2025-04-21 11:05:16
42465	Incident	I-042637	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:02:45	2025-04-22 23:03:03
42464	UserRequest	R-042636	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:02:45	2025-04-21 11:02:45
42463	UserRequest	R-042635	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:02:44	2025-04-21 11:02:44
42462	Incident	I-042634	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:02:43	2025-04-22 19:02:52
42461	UserRequest	R-042633	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:43	2025-04-21 11:02:43
42460	UserRequest	R-042632	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:02:42	2025-04-21 11:03:15
42459	Incident	I-042631	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:02:41	2025-04-22 19:02:52
42458	UserRequest	R-042630	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:02:40	2025-04-21 11:02:40
42457	Incident	I-042629	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:02:40	2025-04-22 19:02:41
42456	UserRequest	R-042628	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:02:40	2025-04-21 11:05:16
42455	UserRequest	R-042627	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:02:38	2025-04-21 11:05:15
42454	Incident	I-042626	ongoing	PostgreSQL Service Outage	Era Lab	There is an ongoing PostgreSQL service outage, affecting access to the database and related services.	2025-04-21 11:02:38	2025-04-22 19:02:41
42453	UserRequest	R-042625	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:37	2025-04-21 11:05:15
42452	Incident	I-042624	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:02:36	2025-04-22 19:02:41
42451	UserRequest	R-042623	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:02:36	2025-04-21 11:04:56
42450	UserRequest	R-042622	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:02:35	2025-04-21 11:02:35
42449	Incident	I-042621	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:02:35	2025-04-22 19:02:41
42448	UserRequest	R-042620	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:02:34	2025-04-21 11:02:34
42447	Incident	I-042619	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:02:33	2025-04-22 19:02:42
42446	UserRequest	R-042618	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:02:33	2025-04-21 11:03:15
42445	UserRequest	R-042617	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:02:32	2025-04-21 11:03:35
42444	Incident	I-042616	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:31	2025-04-22 19:02:32
42443	UserRequest	R-042615	ongoing	Unexpected PostgreSQL Restart	Era Lab	An unexpected restart of the PostgreSQL service has occurred, which may cause temporary data unavailability.	2025-04-21 11:02:30	2025-04-21 11:02:30
42442	Incident	I-042614	ongoing	PostgreSQL Service Outage	Era Lab	There is an ongoing PostgreSQL service outage, affecting access to the database and related services.	2025-04-21 11:02:30	2025-04-22 19:02:33

42441	UserRequest	R-042613	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:02:29	2025-04-21 11:02:29
42440	UserRequest	R-042612	ongoing	Unexpected PostgreSQL Restart	Era Lab	An unexpected restart of the PostgreSQL service has occurred, which may cause temporary data unavailability.	2025-04-21 11:02:28	2025-04-21 11:02:28
42439	Incident	I-042611	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:02:28	2025-04-22 19:02:33
42438	UserRequest	R-042610	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:02:27	2025-04-21 11:03:53
42437	Incident	I-042609	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:02:26	2025-04-22 19:02:33
42436	UserRequest	R-042608	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:02:26	2025-04-21 11:04:55
42435	UserRequest	R-042607	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:02:24	2025-04-21 11:05:15
42434	Incident	I-042606	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:02:24	2025-04-22 19:02:33
42433	UserRequest	R-042605	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:02:23	2025-04-21 11:05:15
42432	Incident	I-042604	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:02:22	2025-04-22 19:02:33
42431	UserRequest	R-042603	ongoing	Unexpected PostgreSQL Restart	Era Lab	An unexpected restart of the PostgreSQL service has occurred, which may cause temporary data unavailability.	2025-04-21 11:02:22	2025-04-21 11:04:55

42248	Incident	I-042420	ongoing	Host Downtime Detected	Era Lab	The host server has gone down, leading to potential service disruptions.	2025-04-21 11:00:11	2025-04-21 11:06:44
42247	UserRequest	R-042419	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:00:11	2025-04-21 13:00:12
42246	UserRequest	R-042418	ongoing	Database Service Restart Alert	Era Lab	The PostgreSQL database service has been restarted, potentially impacting data availability.	2025-04-21 11:00:10	2025-04-21 13:00:12
42245	Incident	I-042417	ongoing	PostgreSQL Downtime Notification	Era Lab	PostgreSQL service is currently down, affecting database-related operations.	2025-04-21 11:00:09	2025-04-21 11:08:10
42244	UserRequest	R-042416	ongoing	Memory Overutilization Warning	Era Lab	The server is experiencing memory overutilization, which may lead to degraded system performance.	2025-04-21 11:00:09	2025-04-21 13:00:12
42243	UserRequest	R-042415	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:00:07	2025-04-21 13:00:12
42242	Incident	I-042414	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:00:07	2025-04-21 11:04:47
42241	UserRequest	R-042413	ongoing	Server Unreachable	Era Lab	The server is currently unreachable, which may lead to disruptions in service availability.	2025-04-21 11:00:06	2025-04-21 13:00:12
42240	Incident	I-042412	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:00:05	2025-04-21 11:00:05
42239	UserRequest	R-042411	ongoing	PostgreSQL Service Outage	Era Lab	There is an ongoing PostgreSQL service outage, affecting access to the database and related services.	2025-04-21 11:00:05	2025-04-21 13:00:12
42238	UserRequest	R-042410	ongoing	High CPU Usage Detected	Era Lab	A high CPU usage level has been detected on the server, which could affect system responsiveness.	2025-04-21 11:00:03	2025-04-21 13:00:12
42237	UserRequest	R-042409	ongoing	High Memory Usage Alert	Era Lab	Memory usage has exceeded the safe threshold, indicating potential issues with application performance.	2025-04-21 11:00:02	2025-04-21 13:00:12
42236	Incident	I-042407	ongoing	Critical CPU Load	Era Lab	The CPU load on the server has reached a critical level, potentially impacting the performance of hosted applications.	2025-04-21 11:00:02	2025-04-21 11:04:47
42234	Incident	I-042405	ongoing	TEST INCIDENT FOR CHANDIGHAR REGION	North Zone (Chandigarh)	TEST INCIDENT FOR CHANDIGHAR REGION	2025-04-16 13:04:35	2025-04-22 11:19:31
